

## Cultural News Colombia

**JULY 2021**

The Embassy of Colombia in Austria invites you to commemorate July 20th, Colombia's Independence Day. Through a series of cultural events that will take place in the summer, we will pay tribute to Colombian talent and culture, remember the value of our roots and celebrate the warmth of our nation #Yoalзомibandera.

### Colombian Salsa Experience – Slovakia Olympic Festival

Within the Tokyo Olympic Games Festival in Slovakia, we will have the presence of Colombian talent in the salsa workshop "Colombia Salsa Experience". The experience will count with the participation of the Ensálsate group from Cali and Studio Norika from Slovakia. The workshop will be held at the sports complex in the city of Šamorín. You are all invited, the event is free of charge and no registration is required.

More information about the event: <https://www.olympic.sk/festival>

Thursday, July 29th, 2021

18:20 - 19:00

The Ibérica Festival in the Czech Republic is a gathering of Ibero-American culture, bringing together outstanding artists, film shows and gastronomy. With a trajectory of more than 11 years, Ibérica has become one of the most important festivals in Central Europe. This year we are honored to be the guest country. As part of the celebration of the festival in 2021, Colombian cinema, art and music will be present. More information about the festival: <https://www.iberica.cz>

## UniBirds

UNIBIRDS is a visual installation that combines analog and digital technologies created by Colombian artists Sergio Mantilla and Miguel Chaparro, which allows the public to interact with Colombian birds through the ARTIVIVE application. Visitors will be able to visit it during the festival at Alfa Passage in Brno, Czech Republic.

This work is the result of in-depth research by the artists in association with the Alexander von Humboldt Institute, which has positioned Colombia as the country with the greatest diversity of birds in the world, with more than 1920 species.
